This spectacular, newly built semi-detached villa is part of an exclusive group of 14 properties located in the immediate vicinity of the beautiful Montgó Natural Park in Dénia, just a stone's throw from all the essential amenities for everyday life. Currently, one of these beautiful villas is available, ready to move into, while 3 others are under construction, with an estimated completion date of one in April and the other two in December 2024. This villa is designed on two levels and offers on the first floor a spacious living room with dining area, a modern open-plan fully equipped kitchen, a double bedroom and a full bathroom. Upstairs there are two more double bedrooms, each with its own en-suite bathroom. Importantly, there is the option to omit the first floor bedroom to create an even larger living space, offering flexibility to adapt the home to individual needs (subject to confirmation prior to completion of construction). All homes have a private roof terrace from which you can admire the majesty of the Montgó and the picturesque town of Dénia. In addition, the complex offers its residents the privilege of a large communal pool and a children's playground, perfect for the little ones. Find out more about Dénia and make your dream come true of living next to a natural park that offers both the mountains and the sea to enjoy the outdoors and practice a wide variety of sports. Don't think twice, this is a unique opportunity not to be missed!
