This flat agrarian plot of 10,897 m2 is surrounded by olive and almond trees. Along one side there is a beautiful view of a majestic mountain range, along the other side there is a view of the sea in the distance and the castle of Guadalest. It is not allowed to build on this plot. However, several tiny houses may be placed there. There is no connection to water and electricity but there is the possibility of installing solar panels and a water tank. The access road, damaged by the rains of recent years, has already been partially renewed. The well-known village of Guadalest and its beautiful turquoise reservoir are a 15-minute drive away, the beach of Altea half an hour. A beautiful place surrounded by nature.
